

CALL for VOLUNTEERS:

EVS short-term project

Dates: 1.05 - 30.06.2015

Ostritsa village, Ruse District, BULGARIA

Application deadline: **5th of April 2015**

Short-term EVS project will last 2 months in the village of OSTRITSA, which is a rural setting in the Natural Park 'Rusenski lom'. This project will host 16 volunteers from 4 different EU countries: Belgium, Croatia, Great Britain, and Spain. EVS volunteers will take a part in eco-building activities of a small center, which holds non-formal educational projects in the village of Ostritsa. Participation in the development of the settlement will provide volunteers with knowledge and practical skills in eco-building, renewable energy resources and will introduce them to the practical challenges of combining them and developing a fully off-grid establishment.
