

Estonija traži volontere!

Place: **Kuressaare, Estonia**

Period: **12 months from February 2016**

Deadline for application: **25th September 2015**

The main tasks of the volunteer will be:

- **organizing youth activities:** hikes, bike trips, camps so that kids can learn to value the beauty of nature and also encourage an active life-style;
- **planning photo-shootings** outdoors to make the most of the beautiful Estonian landscapes and develop new skills;
- **exploring the nature and try to find materials** that can be used to create hand-made local items, which will empower youth and increase their sense of entrepreneurship etc.
- **giving workshops:** re-cycle, re-use and repurposing workshops for youth in the youth center;
- **increasing awareness in young people and local community** about destructive/unhealthy habits and encourage youth to be a loud voice in the community by organizing local events of „good/healthy practices”
- **taking photos and making short movies.**

Requirements for the volunteer: comfortable and confident around youngsters; speak basic English; take initiative; collaborative and reliable; flexible; to be able to work both independently and in a team; curious, creative and easy-going. It is preferred that the volunteer has some previous experience in ecology projects.

The volunteer will live in a cozy hostel room with shared kitchen/bathroom and showers and s/he will earn 85 euros per month as pocket money.
