

## **ORGANIZACIJA IZ BAD KISSINGENA TRAŽI VOLONTERA**

Place: **Bad Kissingen, Germany**

Period: **From 15/09/2016 to 15/07/2017**

Deadline for application: **10/12/2015**

EVS will be held in the public elementary school for around 330 children. A whole series of the offers should give to the children the opportunity to develop their personality. The special offers in music, sport, reading, theatre, bicycle, experiencing nature and social interaction are going to shape their day at school. In the all-day field also in the afternoon the children are taken care of and receive diverse free- time offers, which take place in the Youth Culture Centre in Bad Kissingen.

### **ROLE OF THE VOLUNTEER:**

- They will contribute to the community of the school with their abilities, skills, interests and personality.
- They will have the opportunity to get to know how to handle with children of different ages, if they want they can work with various age groups (around 6-10 years old).
- They will enrich the week day at school
- They will be partially accompanied and facilitate the classes in small groups.
- They will get the insight about the various offer for the pupils, for example project for health education, social learning, sports and language promotion.

Bad Kissingen is a little town (with 20.000 inhabitants) in the region of Unterfranken (Bavaria). The volunteer will get a separate room and share the flat with one other European Volunteer. The flat is situated about 5 minutes from school on foot. Each volunteer receives monthly the food money as well as language course (once a week) and

Bahncard25 (for the whole year). Once a month the coordinating organisation organizes a meeting for all the European Volunteers in the region (15-20 people) and they are spending free time together.
